The lamp lights up a caged male character who is visible from the waist up, with his back turned. In the background, on the wall, there are two drinking glasses and a can of motor oil. Behind the camera, a door is visible. The bottom picture shows the main character walking in a snow-covered forest. From the waist up, the character is identical to the one in the top picture. Under his arm, there is a handgun, which has a red cylinder attached to it. The bottom picture shows three people in a wood. One of them is carrying a rifle that is slung over his shoulder. Another person is sitting down, while a third one is walking to the left. The background is formed by tree trunks.Q: How to install Python 2.7 in Ubuntu 16.04 Ubuntu 16.04 uses Python 2.7 as its primary Python version. I want to install Python 2.7.12 which is not available in the repositories. How do I download this version of Python and get it installed? A: You can try to install python2.7 manually from sources.
